

March 2, 2021, Apodaca MEXICO: Anderton Castings Mexico new machining plant starts production. Brand new CMM lab and machining cells are complete and operational. Employees and customers alike enjoy the spacious new machining building, with plenty of room to grow.

The move also opens up space in the current casting plant for additional capacity to fulfill the growing needs of the USMCA market. A new 900t Die Cast machine is scheduled to arrive in April 2021. More to come!

OPEN CAPACITY FOR YOUR ALUMINUM CASTING AND MACHINING PROJECTS!
